HOC SIGNO FORTUNA

BALTIMORE, FRIDAY, October 26, 1821.

Yesterday was observed in this City as a day of Humiliation, Fasting and Prayer agreeably to the proclamation of the Mayor. There was, of course, no drawing of the Grand State Lottery. The drawing will be continued on Tuesday next, when the first number from the wheel (being the 20th day, will be entitled to a premium of ONE THOUSAND DOLLARS.

The owners of the 10,000 dollar prize.

The following extract of a letter received from Jacob D. Dietrick, Esq. Post master at Lancaster Ohio, gives the names of the fortunate holders of the TEN THOUSAND dollar prize drawn on the 4th Inst.

"By yesterday's mail we had the pleasing news that No. 1705, in the Grand State Lottery of Maryland, sent here a few days since from Cohen's Office, came out a prize of TEN THOUSAND DOLLARS. It is the property of Mr. George S. Binkley and Henry Vanpelt—the former a young man, clerk in a store in this town, and the latter a worthy ORPHAN, an apprentice to a hatter in this town; both are worthy and respectable young men,"

The gain of the wheels in the Grand State Lottery of Maryland now amounts to nearly 20,000 dollars; this circumstance, added to the few tickets remaining for sale, and the superior chance for obtaining a Capital prize in this Splendid Scheme, has caused an advance in the price of tickets from ten to twelve dollars, and which will be increased previous to the drawing of the Great Capital prize of FORTY THOUSAND DOLLARS, which will be awarded to the first drawn Number on the 28th day, according to the scheme.

On WEDNESDAY AFTER NEXT, the 7th of November, the first drawn Number from the rich wheels of the Grand State Lottery will be entitled to TWENTY THOUSAND DOLLARS. This rich prize we anticipate the pleasure of advancing the Cash for, to some of our customers, the moment it is drawn, should it be owned in this City; or if owned by any of our distant customers, immediately on presenting the Ticket, either in person or through the medium of the mail.

We may yet have the lucky ticket on hand—those not yet supplied with chances are therefore reminded, that the Ten Thousand dollar prize drawn on the 4th inst. was sent to a gentleman in Ohio, only two days before it was drawn. No time should be lost—but send without delay to COHEN'S OFFICE, either for a ticket or share.

The thousand dollar prize drawn on Tuesday last by No. 8444 is owned in Norfolk, Virginia. The ticket was ordered from our office in that place, and was forwarded per the Steam Boat.

It is stated in a Pittsburg paper, that, that city four years ago had a population of 10,000 but that by the late census it is reduced to nearly 7000, with a reduction of business generally at the rate of 75 per cent.

A writer in a Savannah paper affirms, that the Planter's Bank of that place, had, at one time, issued three millions of paper, when possessed of only \$30,000 in gold and silver.

The following extract from the report of the Board of Health announces the entire disappearance of Malignant fever from our City and suburbs:

BOARD OF HEALTH, Baltimore Oct. 22d.

The Board of Health have the pleasure of informing the public, that owing to severe frosts in the nights of the 17th, 18th, 19th and 20th of the present month, the malignant fever which existed during the last summer, has entirely disappeared. No death having occurred from it, since Thursday the 18th instant.

The Board feel justified in the assurance, that all those who removed from the Point, and are now residing in different parts of the city, may, with perfect safety, return to their homes.

Owing to the present favourable state of things, the daily reports will be discontinued.

In conclusion, the Board of Health congratulate the public on the disappearance of this fatal malady, and feel assured, that their fellow citizens will join them in returning the most humble and sincere thanks to the Giver of all Good, who, in his kind Providence, has seen fit to remove this monster from our beloved city.

By order, WILLIAM D. HARRIS, Sec.

NORFOLK, Oct. 22.

Health of our town—It is with the liveliest satisfaction we lay before the public the subjoined announcement of the Board of Health, that there is no longer any case of apprehension in visiting our town, and that the usual intercourse with it may be renewed with perfect safety.

IMPORTANT ADJUDICATION.

On Tuesday last, the County Court of Baltimore, made the following very interesting and momentous decision, upon the act of the General Assembly for the relief of Insolvent Debtors:

First—That the person only of each debtor is discharged by the operation of the statute.

Secondly That all property of the debtor, subsequently acquired, whether in his own possession or that of a bona fide purchaser, is subject to the effect of a fieri facias; and,

Thirdly—That such execution may issue, as a matter of right, without the formality of a scire facias, however long the judgment may have been dormant.

This appears to be, correctly, the substance of the Court's adjudication, which to us, appears to involve consequences of the greatest importance and most serious character. By it are let loose a flood of executions, heretofore considered not only dead and of none effect, but rendered entirely nugatory by the State Law. By it, many innocent purchasers will be deprived of their property, honestly acquired for a fair consideration, and turned over to seek remuneration from a quarter hopeless indeed. By it, the title to a great proportion of property in this vast community will be shaken, perhaps destroyed, by being thus subject to a lien never contemplated by the honest and bona fide holders.—Telegraph.

The following is extracted from a letter received in Baltimore, by the R. Fulton—and contains commercial information up to the 6th.

LIVERPOOL, 9th Month, 5th, 1821.

The accounts which are now daily arriving from almost every quarter of the kingdom, state very serious injury to have been done to our crops by the late rains, more especially to the wheat, much of it is laid—and both that which is cut, and that which is uncut, as well as what is laid, is sprouting in the ear; complaints of mildew are also,

very general. These circumstances have excited a good deal of speculation here, and our prices of wheat have advanced within a week past, 1s. a 1s. 3d. per bushel, and other grain has also risen. Irish wheats, may now be quoted at 8s 10d a 9s 3d; English, 9s 6d a 10s per 70 lbs. A considerable advance has also taken place in other parts of the kingdom, and if the weather does not become settled and fine very soon, the consequence will be very bad indeed; even the injury already done, would seem to be such as to warrant of itself, a greater advance in the prices, than has yet taken place.

9th Month, 6th.

All the accounts we are receiving, confirm those previously received of the injury doing to the crops, by the grain sprouting in the ear, the weather still has an unfavourable appearance, and if it does not become fine soon, the injury will be alarming—the markets generally are rising.

We are respectfully, thy assured friends,

CROPPER, BENSON & Co.

From the Boston Evening Gazette October 18.

NAVAL.—The United States brig Spark, Captain Elton, sailed on Wednesday forenoon for the rendezvous near Cape Henry, off the Chesapeake, to unite with the Hornet sloop of war, to convoy merchant vessels, along the Gulph stream, by the coast of Cuba, to the West India Seas.

Extracts from late English papers received at the office of the New-York Commercial Advertiser.

Great Britain &c.—A subscription has been started in Ireland, for the erection of a Testimonial in Dublin, in honour of the King's visit to that country. One gentleman subscribed 500 guineas. A proposition has since been made to build a Palace suitable for a royal residence in Dublin.

The opposition papers in London are beginning to rail at the Irish people, for the cordial reception which they gave the King.

Lord Clifden has cancelled the whole of the arrears due by his tenantry on his large estates in the country, and promised a suitable reduction of rent next season, should prices remain at the present depressed rate.

The King has announced his determination to hold a court every third year at Dublin.

Some idea of the extensive improvements now making in Liverpool, may be formed from the fact that, during the last two years not less than one hundred and fifty thousand pounds have been expended by the spirited Corporation of that city, in purchasing and taking down old and useless buildings.

It is rather singular that the expenditure of the East India Company about equals the expenditure of the Government of Great Britain.

We learn by a letter from Maine, that Jacob Gove, of Lubeck, in that state, who was prosecuted, at the instance of the Secretary of War, for the crime of perjury, before the Circuit Court of the United States, holden for that judicial district, on the 11th instant, was found guilty of the charges alleged against him, and sentenced to confinement in prison for 60 days, to stand in the pillory one hour, and to pay a fine of 100 dollars, and costs of prosecution. Gove was a pensioner under the revolutionary pension law; and the act of perjury was committed in taking the oath upon which he obtained his pension.

A bill of indictment was found against another pensioner, at the same term, on a like charge. He will take his trial in May next.
